GOLDEN ARROW AND TABLE BAY RAPID TRANSIT DRIVERS NOT STRIKING

Golden Arrow Bus Services has been made aware of media reports stating that our drivers will be participating in strike action today ("Union reps return to negotiating table" Cape Argus 10/02/2015). We would therefore like to correct the misinformation that has been circulated as a result.

Golden Arrow Bus drivers are not striking. Our drivers are not directly linked to MyCiTi phase 1 and our services have not been affected by the current strike action. Golden Arrow's scheduled services run independently from MyCiTi and the company has not been asked to assist in rendering any services during the current strike action.

Table Bay Rapid Transit, a subsidiary of Golden Arrow Bus Services, one of the three vehicle operating companies for MyCiTi's Phase 1 is not participating in strike action and continues to operate services as determined by Transport for Cape Town.
