NATIONAL BUS STRIKE: SETTLEMENT REACHED

Settlement has been reached in the national bus strike and Golden Arrow Bus Services will therefore lift the enforced lockout at 0h00 tonight. Golden Arrow will institute all measures to facilitate the restoration of scheduled services, however, due to the short notice; all staff members may not be timeously informed of the end of the strike.

Whilst the Company will endeavour to restore all scheduled services, we wish to apologise in advance should passengers experience inconveniences due to the short notice of the resumption of services.

Detailed information regarding the clipcard extension process will be made available shortly.

Golden Arrow would once again like to sincerely thank all of our passengers for their patience and understanding over the last weeks.

Passengers are requested to contact the toll free number of the Transport Information Centre at 0800 65 64 63 for all service related enquiries.
