GOLDEN ARROW DRIVER RECOVERING FROM SHOOTING

Golden Arrow can confirm that one of our drivers was shot while driving into our Philippi depot last night. The driver sustained six gunshot wounds and was rushed to the hospital in a critical condition.

He has since been stabilised and we are very grateful to the medical team for their efforts throughout the night.

At this stage the motive is not clear but we are working closely with the South African Police Services. We would urge anyone with any information to please come forward.
