PASSENGER SHOT IN VALHALLA PARK

At approximately 12:15 a Golden Arrow bus was caught in cross fire whilst en route from Mowbray to Elsies River. A female passenger on board the bus sustained a gunshot wound to the head and was rushed to the hospital by the bus driver. She is receiving emergency medical attention and is in a critical condition.

We have officials in the area and are liaising with SAPS in order to determine the way forward. At this stage it seems as if the bus was in the path of a stray bullet rather than this being a targeted attack.

Our thoughts and prayers are with the passenger and her loved ones during this difficult time.
