## **SERVICE OPTIMISATION: OFF PEAK SERVICES TO BE AFFECTED**

Golden Arrow has undertaken a comprehensive audit of its services in order to identify any offerings which are not being well utilised.

The audit has revealed a number of off-peak services, which do not have sustainable ridership figures. We will therefore be announcing a number of scheduling changes as of 1 April 2019.

The routes predominantly affected include Nyanga, Khayelitsha, Mitchells Plain, Strandfontein, Claremont, Wynberg, Bellville and Fish Hoek.

This process has been data driven and we are therefore confident that the change will not significantly impact our passengers.

If you think you may be affected please call the Transport Information Centre on 0800 656463 or visit [www.gabs.co.za](http://www.gabs.co.za).
